M. M. LEIGHTON, CHIEF, URBANA

TOPOGRAPHIC MAP

OF

HARDIN COUNTY

AND ADJOINING PART OF POPE COUNTY

ILLINOIS

SURVEYED IN COOPERATION WITH
U. S. GEOLOGICAL SURVEY

EDITION OF 1930

Scale 1 mile = 1 inch

1 ½ 0 1 2 3 4 Miles

1 ½ 0 1 2 3 4 5 Kilometers

Contour interval 20 feet.

Datum is mean sea level.

LEGEND

Fluorspar mines

Strike and dip of fluorspar veins

Note:—North and east from Golconda, the alignment of the railroad is based on alignment sheets of the constructing engineers, rather than on original surveys. Its position is, therefore, correct only within the limits imposed by the necessity of transfer from the railroad's original sheets to this map. No changes in topography due to cutting and filling involved in the construction of the road are shown.
