

# Structural Features in Illinois

Compiled by Janis D. Treworgy

1981

-  Dome
-  Basin
-  Fault
-  Anticline or arch
-  Syncline
-  Monocline
-  Anticlinal nose
-  \* \* Crypto-explosion structure
-  \* Named Silurian reef
-  • Buried Precambrian hills
-  Significant unnamed structural features

Italic indicate that feature existed at one time, but is no longer present in the Paleozoic rocks.
